

A Very Merry Christmas Greeting to You

Please handle this letter with care

To my dearest _____,

Ho Ho Ho! What a Merry Christmas you will have this year little one. I am so grateful that you believe in me, and the magic of Christmas. The elves and I have been working hard in our workshop all year, we are making great headway and have some big plans in store.

But OH NO! We are short on supplies. There are so many good children, just like you, this year that we are running out of materials to make our toys for you and all the other girls and boys.

Do you think you could help me? I don't want anyone to miss out on Christmas. Here's what I need.....

I need some old toys that you don't play with much anymore. Anything will do! We will take these old toys, work our magic, and make them into something new to bring on Christmas. Do you think you could do that for me?

Please put your toys you're willing to donate to me and the elves in a bag. You can take the bag to the nearest drop off location (your parents know where!) and Mrs. Claus will pick them up, and bring it back to the workshop.

When you're done, please make sure you write me a letter to let me know you've made a donation- and send me your wishlist so I can start on your Christmas surprise too!!

Merry merry Christmas!

Santa Claus
