

## We're bringing our weekly After School Program Right to you!

We know this school year is different, and we're ready to help keep your kids engaged and learning from the comfort and safety of home. With the help of our weekly, LIVE, interactive Mad Scientist, your child can continue to explore science around them.

Every child will receive their own Experiment Pack with our cool Take-Homes delivered right to their door!

### Mad Science Interactive, Online Programs Include:

- A 1-hour 4 or 6 week science program for kids ages 5-12
- Experiment Pack with at-home activities and our cool Take Homes!
- A variety of different themes to choose from that cover a wide range of science subjects from engineering to biology
